### Seminar on Indian Knowledge System

The Bhartiya way is sustainable and strives for the welfare of all. We must regain the comprehensive knowledge system of our heritage and demonstrate the ‘Indian way’ of doing things to the world. This requires training generations of scholars who will demonstrate and exemplify to the world a way of life so unique and peculiar to our great civilization. With the view of keeping the Indian knowledge system alive and passing the rich knowledge of the Indian knowledge system to the upcoming generation, Mahatma Gandhi Shati Smarak Mahavidyalaya Garua Maksudpur, Ghazipur conducted a seminar on the theme “**Indian Knowledge System**” on 20 January 2022.

The Seminar was a platform for students to exchange ideas and discuss the contemporary developments in the Indian Knowledge System. It aims to foster collaboration and interdisciplinary dialogue among scholars to deepen our understanding of the richness of Indian knowledge and culture.

Through this event, new dimensions of scientific reason, logical ability, research possibilities embedded in science, business, mathematics, law code and language and art will be developed. With this, students, researchers and intellectuals will definitely be able to learn new and expand their knowledge through the Indian knowledge system. Its main objective is to bring academicians and experts on one platform at the all-round level, get acquainted with their knowledge, ideas, new dimensions of research and infuse innovation in education and research, get acquainted with the mediums that will be the means to establish Indian heritage on the global stage and find solutions to the challenges. In-depth analysis and ideological expression of the scholars invited to the seminar

will update the knowledge of the participants of academic/research institutions. Indian culture has always been inspired by literary, professional, religious and spiritual sentiments. According to the needs of today's time, material resources and progress are essential, but the development of our society is possible only by preserving its heritage and its continuous development and prosperity.

Finally, Mr. Nitesh Pandey concluded the session by passing a vote of thanks to the speaker.
