

## Workshop on globalization and the Indian culture

On January 16, 2021, the Department of Geography organized a Workshop on “Globalisation and Indian Culture” at Mahatma Gandhi Shati Smarak Mahavidyalaya Garua Maksudpur, Ghazipur for UG students. The lecture was conducted for both second-year and final-year students.

In the beginning, the ceremonial address was given by Mr. Sushil Tiwari with a brief introduction of the guest speakers. Mr. Uma Niwas was the key resource person at the workshop. Mr. Mishra commenced this workshop by defining globalization and its impact on different realms of society.

Other notable speakers in this workshop were Mr. Nitesh Pandey, Mr. Umashankar and Mr. Rajeev Kumar. There was a wide range of deliberations on how globalization has affected Indian culture. There was a wide of discussion on McDonaldization and the Westernization of Indian culture. Mr. Nitesh stated that Globalization has influenced the diversity and pluralism of Indian society in various ways. It has brought about the interaction of cultures, ideas, and values, creating both positive and negative outcomes. Mr. Umashankar highlighted the positive aspects of globalization on Indian culture. At the end concluding remark was made by Mr. Umashankar.
