

Mahatma Gandhi Shati Smarak Mahavidyalaya

Garua Maksoodpur, Ghazipur

Introduction

Education is fundamental for achieving full human potential, developing an equitable and just society, and promoting national development. Providing universal access to quality education rests on the foundation of the college. The Mahatma Gandhi Shati Smarak Mahavidyalaya Garua Maksoodpur was established in 1972 with such a novel objective. The college imbibes the ideal values laid down by Mahatma Gandhi. The college's motto is tamso ma jyotirgamay, which means moving from darkness to light. The college is also recognized by UGC under 2 (f) & 12(B) of the UGC Act 1956. Mahatma Gandhi Shati Smarak Mahavidyalaya Garua Maksoodpur has a built-up area of 4.9 acres.

Vision

The college fosters academic and career success through the development of critical thinking, effective communication, creativity, and cultural awareness in a safe, accessible, and affordable learning environment. In meeting the needs of our demographically diverse student population, we embrace equity and accountability through measurable learning outcomes, ethical data-driven decisions, and student achievement. The institution aims to impart academic and skill-development courses to all its students. The organization also has a vision to improve students' life standards by imparting a career-oriented education.

Mission

- To give equal opportunity of excellent education to students coming from diverse sections of society.
- To encourage innovative methods of teaching-learning for quality education.
- To promote innovative ideas in research among teachers and students.
- To sensitize and increase social responsibility among students toward deprived communities.
- To provide affordable and quality education to all students from distant areas.
- To develop the human potential to achieve different opportunities in the future.

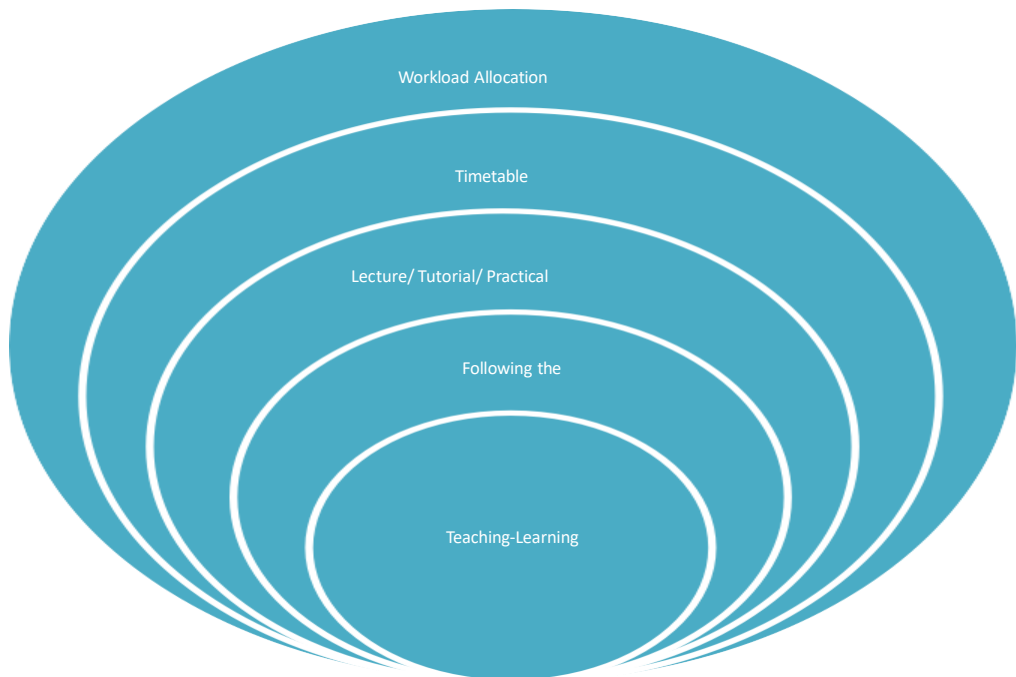

Perspective Plan:

- To strive towards holistic development of the institution.
- Adopting complete digitization in academic governance, especially in the post-COVID era
- Adopt more efficient eco-friendly practices
- To strive towards building an Incubation Centre
- Improve upon the infrastructure through physical infrastructure and equipment and other tools
- Making infrastructure for differently abled
- Open a Wellness Centre
- Create a Research Laboratory for students
- .To strive to bring more professional courses and P.G. courses in different discipline.

Agenda for Teaching- learning process

The institution adheres to its perspective plan in its teaching-learning process to strive toward excellence in the academic sphere. The College has a decentralized system for executing its perspective plan in its practices through various committees such as IQAC, ICC, Minority Cell, Grievance Redressal Cell and SC/ST Cell
