Language and Communication Skills

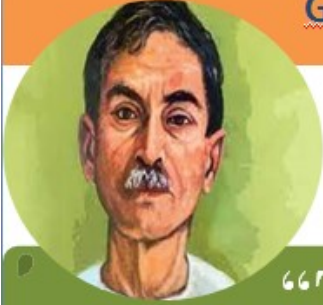

The college has adequately facilitated its students with the resources of language and communication skills. Various seminars and workshops are organised by all departments of Faculty of Languages. These departments include Department of Department of Hindi and Department of Sanskrit. Apart from the workshop which focuses on the improvement of spoken and written language skills, various seminars and group discussion sessions are also conducted to enhance the communication skills of students. Moreover various events and competitions including poem recitation, extempore, story-telling, mimes and short plays are also organised regularly. Prizes and certificates are given to the winners of these competitions and participants are encouraged for enhanced participation and active learning through these events. The students selected in these events are further trained for participation in district and inter college competitions. Every year, students win prizes in these events and bring laurels and fame to the institution. Specific programmes like workshop on creative writing, Hindi Samvad, Sanskrit Subhashinee, lecture on Mahakavi Kalidas, media and literature, significance of Saint Kabir Das, Mushi Premchand: Today and Tomorrow, Sanskrit Studies etc. have been organised in recent years to enhance the overall learning experience of students.
